

MALACHI CENTER

Ways To Give....

For almost 40-years, Malachi Center has provided life-changing services and programs in response to our community's needs. We serve as a safe space where the homeless, low-income families and children can build on their strengths & resiliency, access essential community resources and take positive steps forward through service, education and programming.

We are a lean, non-profit organization solely reliant upon the generosity of individuals, foundations and corporations. But we can't do it alone.

We need your help!

We are **THE WAY** to give **directly** -- at a grass roots level -- to an organization that will **directly benefit those in need!**

Individual Contributions: Your donations make it possible for Malachi Center to fund our mission. Without you, we could not provide needed programs.

Monthly Giving: Giving monthly is the easiest way to make a long-term commitment. As a sustainer, you can make a lasting contribution to our cause.

Gifts in Honor or Memory of Loved One: Honor someone special by making a gift to Malachi Center to celebrate a meaningful occasion or memory of a loved one. You also are able to do this online, from your phone.

Planned Gift: Consider an estate gift to leave a legacy, while making a difference for Malachi Center and those we serve.

Wire or Stock Transfer: You can support our service members through a wire or stock transfer, which can also help you with your taxes.

IRA Charitable Rollover: If you are 70 ½ years old or older, you can help Malachi Center and receive tax benefits in return.

Corporate Gift / Care Pack Event: Align with Malachi Center by having your company contribute directly to us, and/or let us design an opportunity for you to engage your employees with us!

"Third-Party" Fundraiser: Conduct a "third party event" with friends, family or colleagues with the proceeds going directly to Malachi Center.

- Whether it is a birthday, a walk or hike, a marathon or any other type of fundraising event -- *we will help you create a simple easy-to-use peer-to-peer Fundraising Page around an event (or challenge) personally significant to you.*

Center/Program Sponsorships: Consider sponsoring one of our many programs such as our Shower Program; After School Activity Program; Youth Program; Open Activity Day; Family Event, or one of our many other programs we produce.
